NO MORE VIOLENCE RALLY

In the Polo Grounds we have had great success planting a church and building up the Men's Prayer ministry. So when violence erupted in the neighborhood Infinity NY Church was called to take action immediately. We went out to be a strong peaceful presences in the community calling people to prayer and peace. The community came out in great numbers to let everyone know they will not tolerate violence in their neighborhood.

BAPTISM

Baptizing new believers is one of the most exciting things we get to do at Infinity. Sheila's heart was moved at the Easter Service and through follow up discipleship she accepted the Lord. Sheila's son, daughter and other family members now come to Infinity every Sunday. Please pray for Sheila and her family.

BABY DEDICATION

Young Lashya Obey was brought before the congregation by her parents, Tiana and Chris, to be dedicated to the Lord on August 14th. Its great to see families united together to nurture their child's relationship with Christ. Please pray for this family and all the young children of Bronx River.

SUMMER CAMP

This summer several of our youth went to camp in upstate New York. They got the opportunity to canoe, kayak, ropes course, zip line and other outdoor adventures. Each day they heard a great message, made new friends and had quiet time to reflect on what God was doing in their lives. We had some great conversations and witnessed youth give their lives to the Lord. Thank God for Christian Camps!!
